

Iwate foreign residents!

Would you like to participate in an internship?

To everyone who is a foreign student or who is a Jet Programme participant who is looking for further job opportunities! Would you like the chance to experience working at a Japanese company?

Participating businesses

• MIKUNI CORPORATION Morioka Operation (Takizawa City)

Company Description : Develops and manufactures automotive components (pumps, valves, fuel supply systems) and household appliance components (gas flame failure devices, gas valves, water control valves).

Internship Details : Sample usage of CAD, sample assembly, sample mechatronics, sample maintenance, etc. Will include company overview and explanations on the automotive industry as well as factory tour.

• Ark-net Ltd. (Morioka City)

Company Description: Sales of computers, mobile devices, and software OEM, as well as creating websites.

Internship Details: Web development (content to be determined through a meeting prior to internship).

※We will decide on a concrete schedule after consulting with the participants and hosting companies

Please check company information and internship details using the following link or QR code <https://www.iwate-glocal.jp/>
